New specialized recipe to all curry puff lovers

## Why should choose our currypuff?

### Clean and affordable

Every curry puff in our store is fresh baked before it packed. So, consumer doesn't need to worry about the quality of our product because we also keep ours clean and hygiene, from oven to customer's home.

### Fresh ingredients

It is because we believe that fresh ingredients are excellent ways of eating healthier and the best way to ensure no preservatives and chemicals. When cooking with fresh ingredients such as vegetables and meat, food can retain a lot of nutrients compared to processed foods.
