

Our Story

Our story begins in 2019. Back then we were an ice cream booth in Wisma Sanyan, Sibuluan. Today, adhering to the concept of high quality, healthy food without any artificial additives, we opened our first branch at Sarikei.

Mission

Delicious & healthy local ice cream and dessert, dedicated to local ingredients, make the best and guilt-free delights that satisfy customers' cravings and taste buds.

Why Choose Us

MADE WITH REAL, FRESH & LOCAL FRUITS

We use fresh ingredients to make our ice-creams. Low sugar to keep the most original taste of fruit. Local and seasonal fruits such as Durian, Dabai, Cempedak are available (seasonal) !!

HANDCRAFTED LOCAL FLAVOURS

100% handcrafted ice creams are freshly made daily

NO ARTIFICIAL ADDITIVES

Without adding any artificial colours & flavours or preservatives, it is the most original colour and taste of the fruit. Adults and children can feel reassured to eat.

Testimonials

"The ice-cream is so dense and taste good! The environment is very comfortable and beautiful."
~Sherene~

"I was lucky enough to have a good friend introduce me to Mix Container Sarikei. All I can say is, "WOW." The ice cream tastes fresh and the flavours are so fun."
~Jane~
