

STEP 1

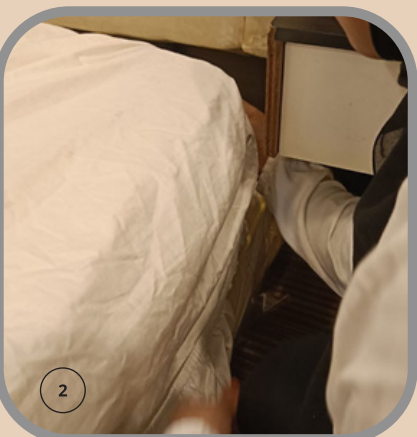

- Pull a little bit of mattress to make some space.

STEP 2

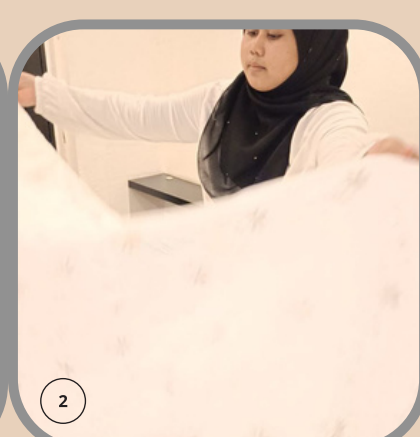

- Then, lay a fitted sheet.

STEP 3

- after that, attach the fitted sheet to the mattress. Then, stretch it.
- (from upper side bed to below side) at left and right

STEP 4

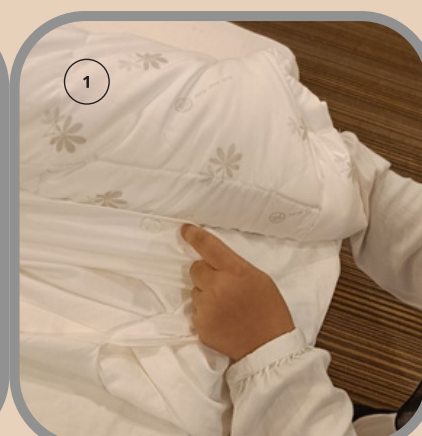

- lay the duvet cover and spread it.
  - Then, lay the comforter upper the duvet cover. (make sure it's tidy)
- notes:
- spread it only 3 times
  - duvet cover pocket must be at the upper mattress side

STEP 8

- Flip it over.
- notes: make sure the duvet cover pocket at the below side of mattress.

STEP 7

- after roll, take the comforter end and inserted to the duvet cover (at pocket)
- once placed inside, close with buttons.

STEP 6

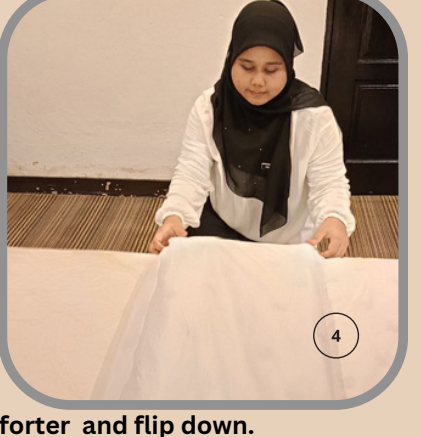

- Then, Roll it and pulled the comforter to our direction until the end.

STEP 5

- Tie up the duvet cover with comforter. all 4 side. (just do a simple tie like ribbon tie)

STEP 9

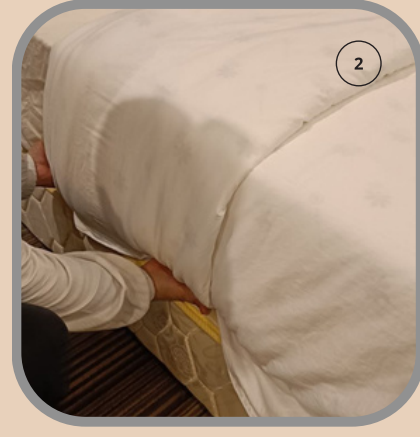

- first, take the comforter and flip down.
  - Then, flip up again.
- notes:
- 1,2- bigger flip
  - 3,4- only small flip move

STEP 10

- pushed back the mattress.

STEP 11

- inserted all the extra sheet (Fitted sheet, comforter + duvet cover) under the mattress.
- tidy it.

STEP 12

- at the end of comforter sheet make a straight line.
- Then, inserted under the mattress.

STEP 14

- lastly, place the pillow
- notes:
- the pocket must be place at the middle side.- tidy

STEP 13

- Next, inserted the pillow to the pillow case. both pillow.

# HOW TO DO THE BED MAKING FOR QUEEN SIZE BED.

by NUR FATIHA BINTI JAMALUDDIN  
(BB21110439)

- end, check it a little bit to make sure the bed is tidy.
