
5C AND OTHERS

VUN 2024

Character: build your inner strengths, hardworking

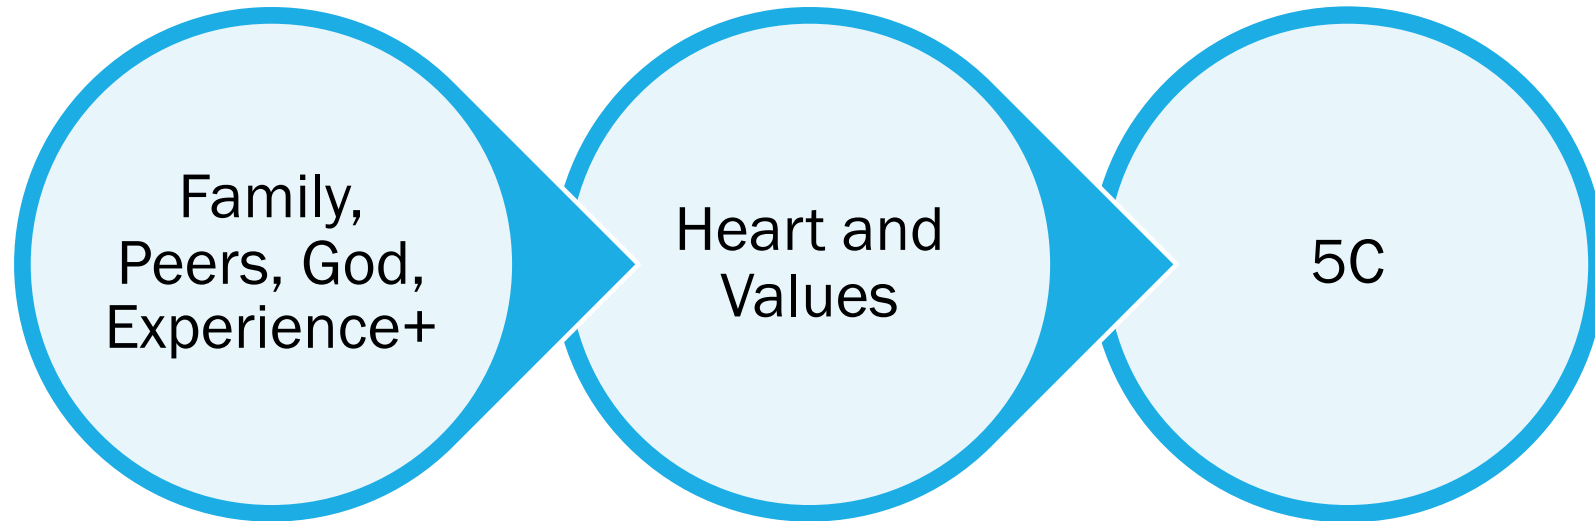

Creativity: passionate, innovation

Communication: speak and write well

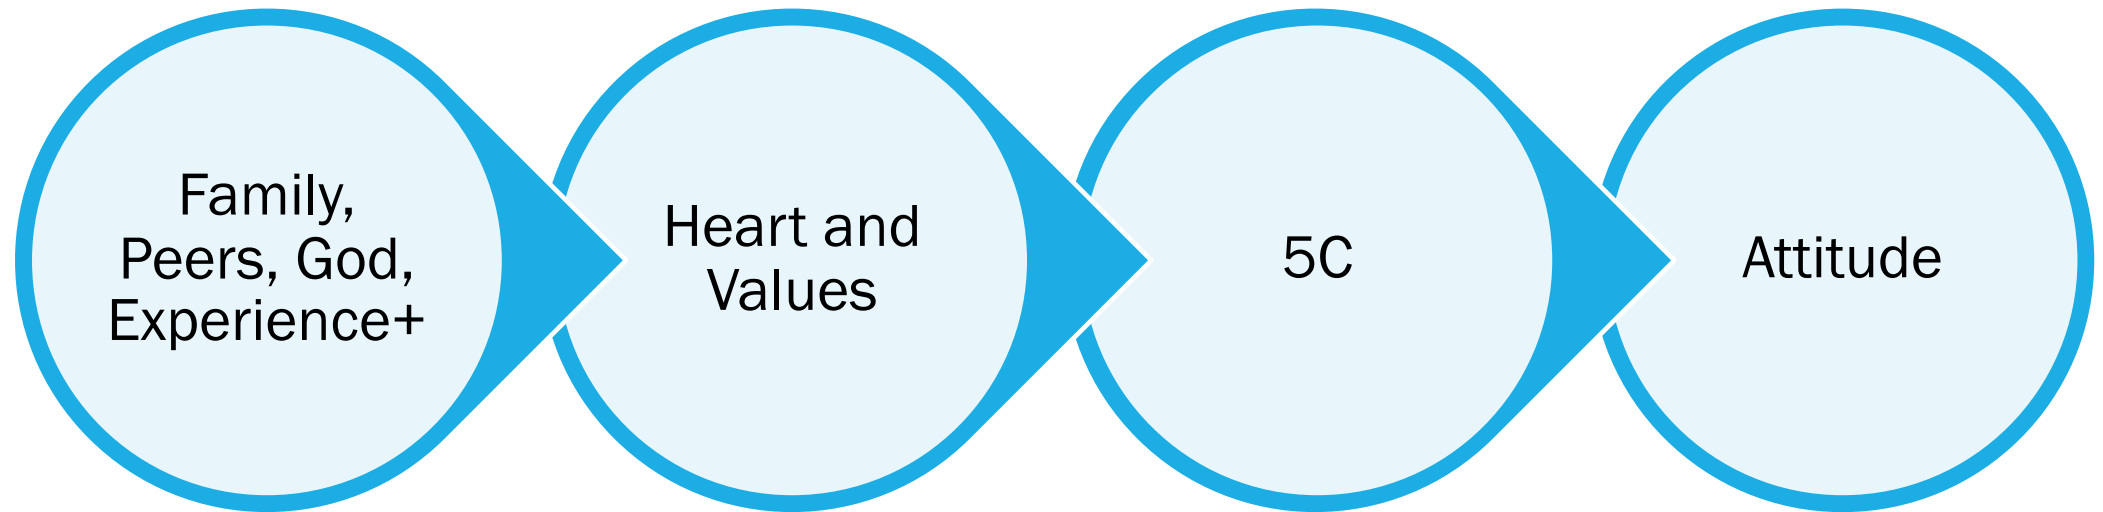

Competence: excel in something, self-discipline, skills

Civic-mindedness: help one another

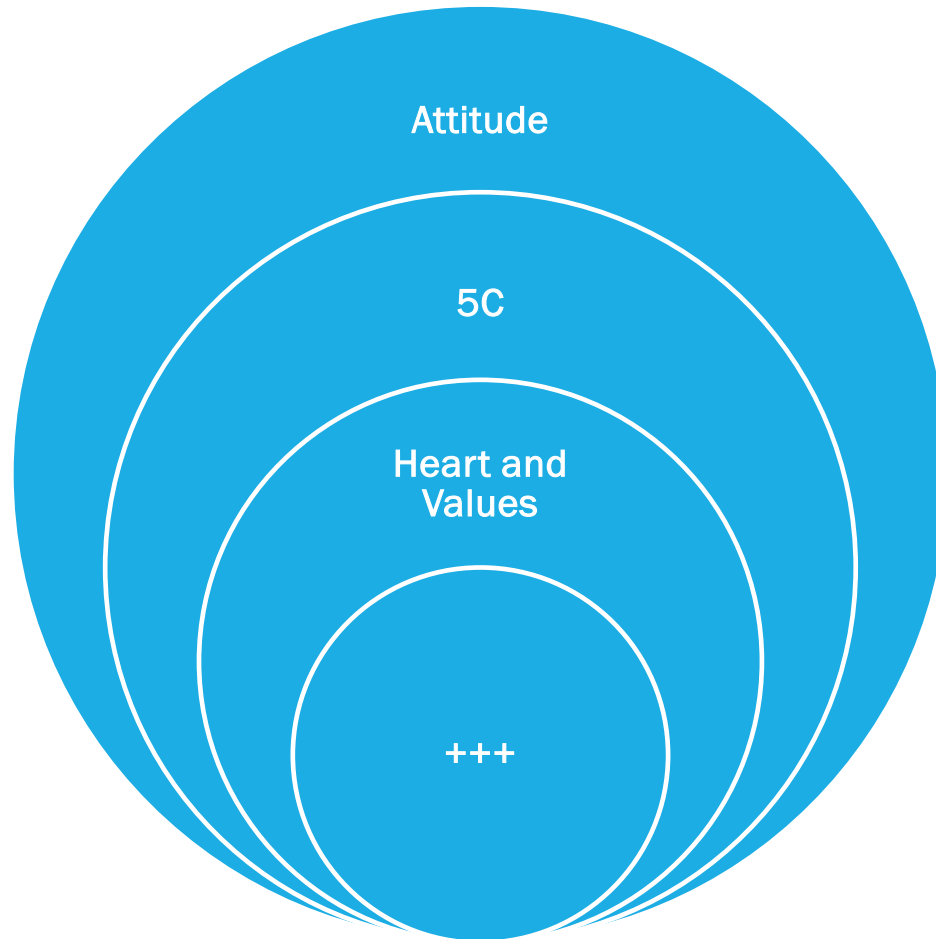

Take care of your heart and values, these are the sources that allow you to excel in 5C

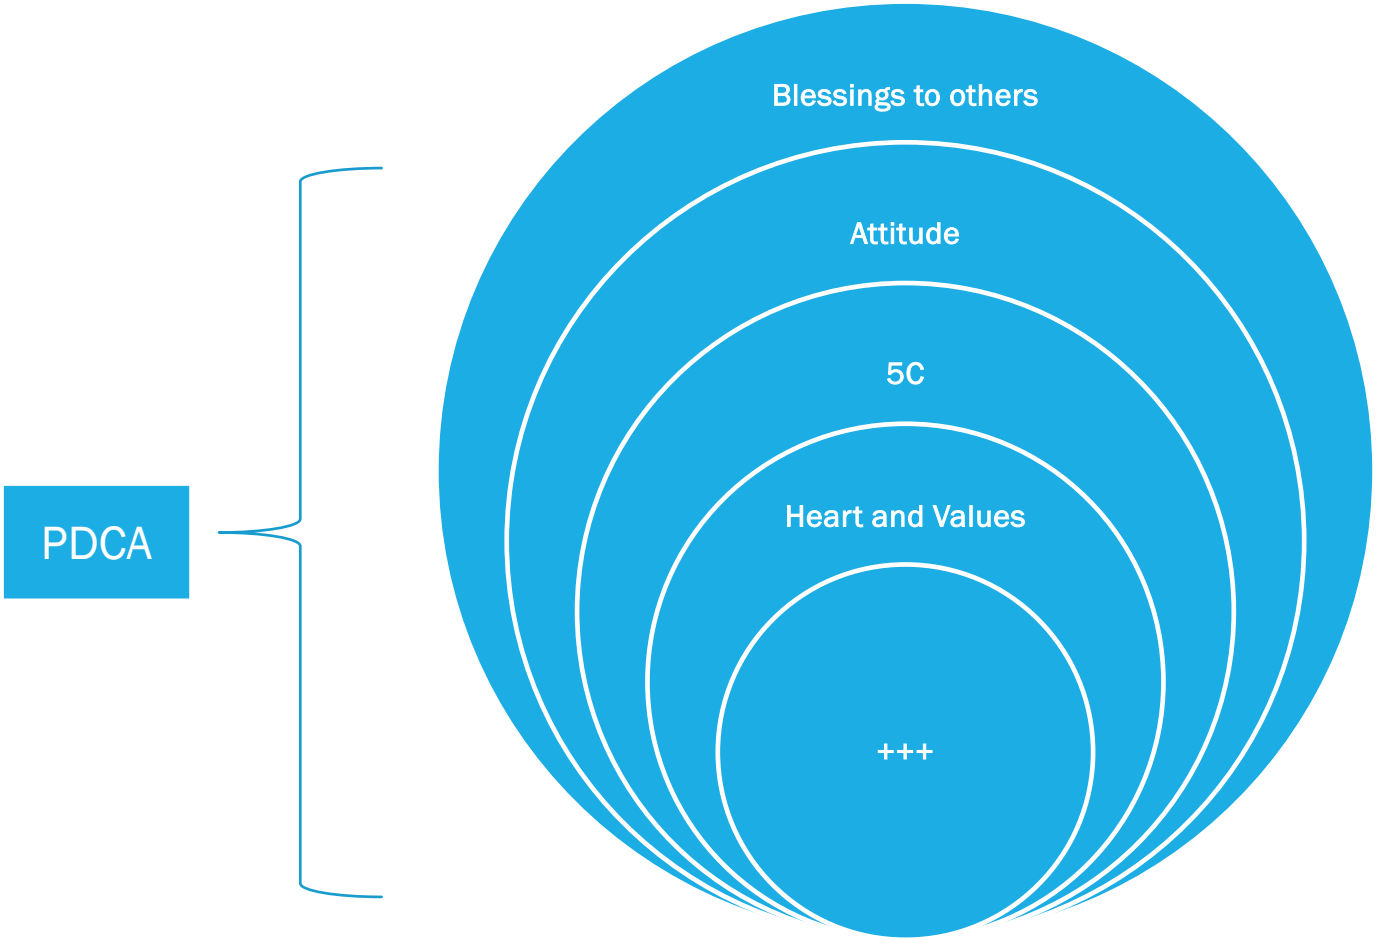

Take care of your heart and values, these are the sources that allow you to excel in 5C

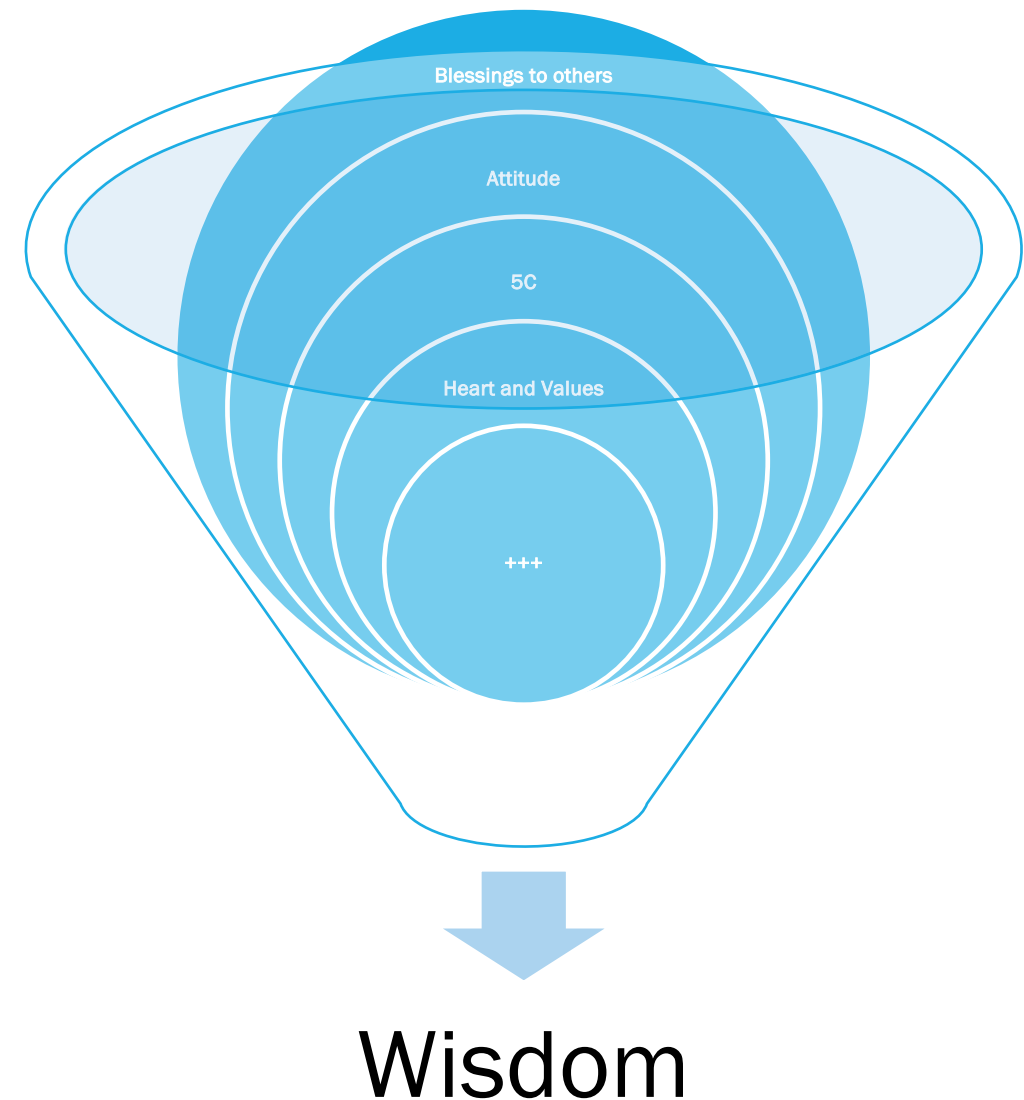

Take care of your heart and values, these are the sources that allow you to excel in 5C

Take care of your heart and values, these are the sources that allow you to excel in 5C

Take care of your heart and values, **and your body**, these are the sources that allow you to excel in 5C.

As you grow/learn to take care of yourself and others, you will grow in *wisdom*.
