FOREWORD

This e-magazine presents the enrichment of University Malaysia Sabah (UMS) consists of many picturesque landscape. It shows many places available to be visited in UMS.

The minimalist theme of the e-magazine is primarily addressed to visitors, who are going to visit the eco campus, UMS. This e-zine objectively wants to make UMS to be known among tourist in conjunction of UMS visit 2016.

While undertaking this task given, we as a team found that the research was difficult, but conducting extensive research has allowed us to discover more knowledge about UMS and help to enhance the beauty of UMS for tourists to look out.

In performing our assignment, we had to take the guideline and help of some respected persons, who deserve our greatest gratitude. Grateful acknowledgment is here made to our new media coach, Prof. Dr. Fong Soon Fook, who helped our team to publish the e-zine. In addition, we would like to thank the UMS officers, tourists and colleagues for helping our team direct and indirectly in making this e-zine.

This work would not have reached its present form without their invaluable help.
